

kids on the move

empowering families, one kid a time

“As a parent of a special needs child, it feels like you’ve been dropped in the ocean—you don’t know where to turn. Kids On The Move is a lifeline, that you can’t find anywhere else. This is an amazing organization and I am grateful for all they do to help my child succeed.”

Last year almost 2,000 families in Utah County received services from Kids On The Move!

Twenty-five years ago, 2 children inspired the creation of Kids On The Move—a nonprofit dedicated to empowering families one kid at a time. Over the years, we’ve helped thousands of families who have children with developmental delays and disabilities, while also providing parental support and resources to families facing adversity.

Today, Kids On The Move has added a new autism services program called **Bridges**, for children living with autism or similar disorders. Please help us build the Bridges Scholarship Fund so that more families can access these critical services.

Your donation makes a BIG difference! Contribute today by returning the enclosed card in the pre-paid envelope or online by clicking DONATE NOW at www.kidsonthemove.org.

Help us meet our goal of 1,000 people donating \$25 or more, so we can continue to “empower families, one kid at a time!”

Sincerely,

Eileen A. Chamberland
Executive Director

I want to help empower families through Kids On The Move. Here is my tax deductible gift.

\$25 \$100 \$250 Other \$_____ Designate my gift to the Bridges Scholarship Fund
